

Murphy Drawer Kit with Wheel

Product Features Quality Choice:-

- New Upgrade and Optimization
- Invisible Dining Table with Drawers
- Space Saving
- High Quality Material
- Bearing 35Kg
- Push and Pull Smooth
- Push and Pull Soft Tone
- Easy to Install
- Anti Rust and Wear Resistant
- Longer Service Life

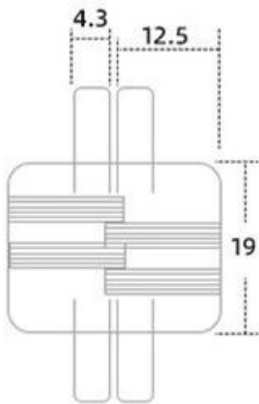

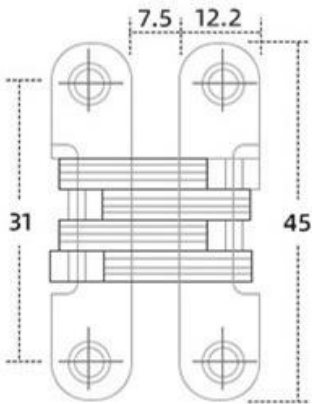

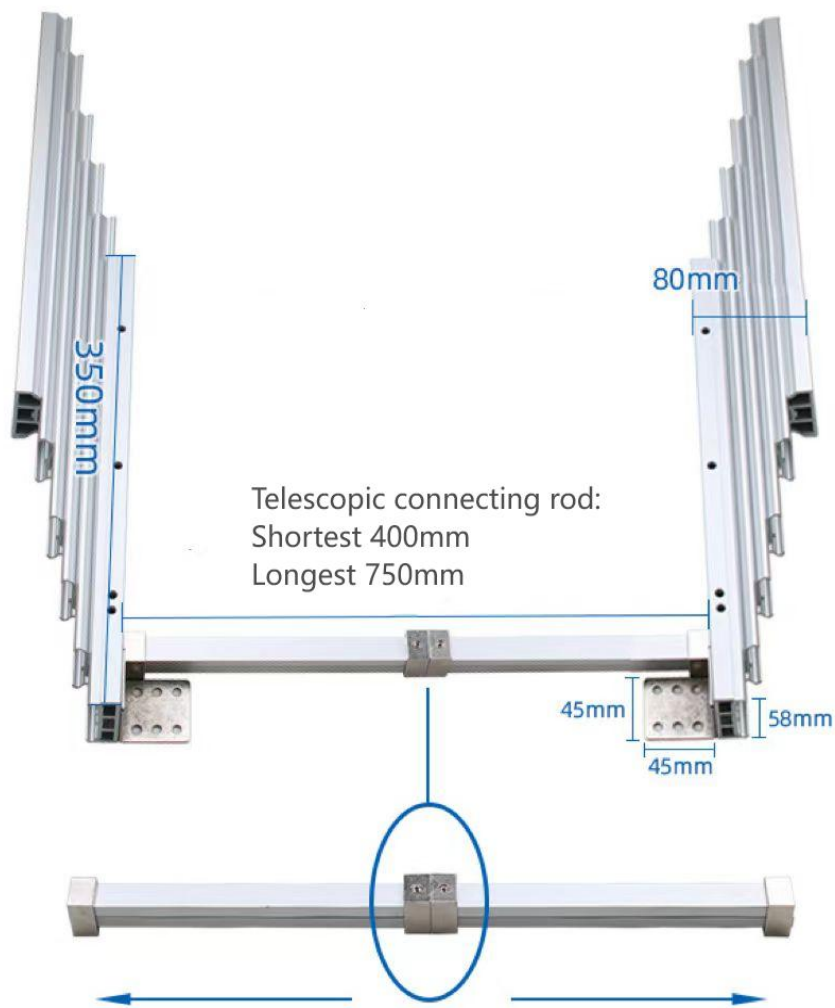

Product Details:-

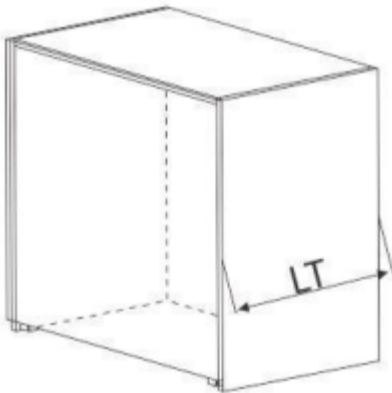

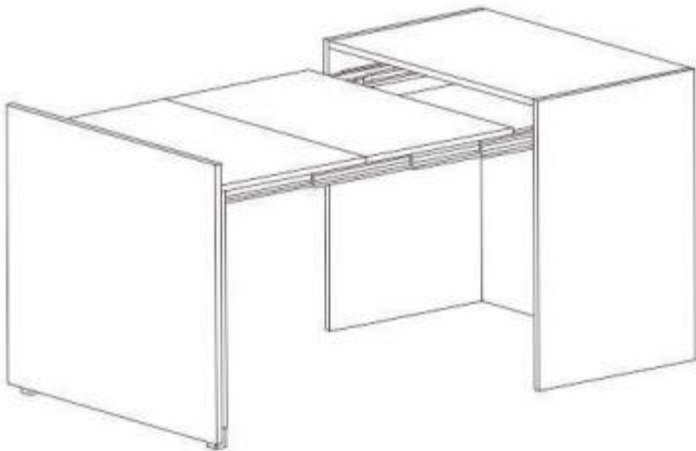

- Aluminium Alloy + Iron + Plastic
- Section length (500-1270mm)
- Set Weight (3.78kg Net & 5.13Kg Gross)
- Bottom Installation Method
- Scope of application for Drawer & Dining Tables

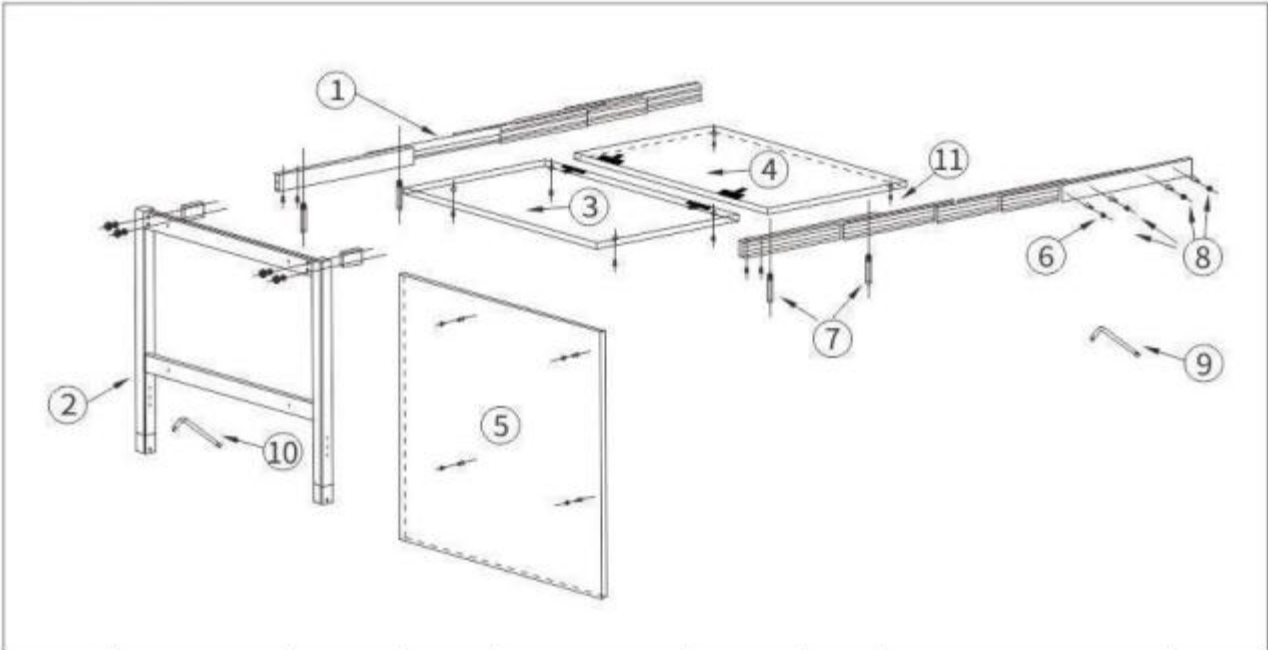

Expand Size:- 1270/ 1450 mm (6Layer / 7Layer Slides)

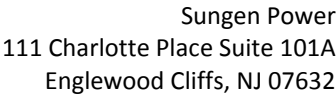

LT=Min520mm

	Name	
	Material	Aluminum oxidation
	Specification	492
	Quantity	1 SET
	Package	1SET/CTN
	Name	
	Material	Aluminum tripod
	Specifications	(can be customized according to the customer's cabinet width)
	Quantity	1 SET
	Package	1SET/CTN

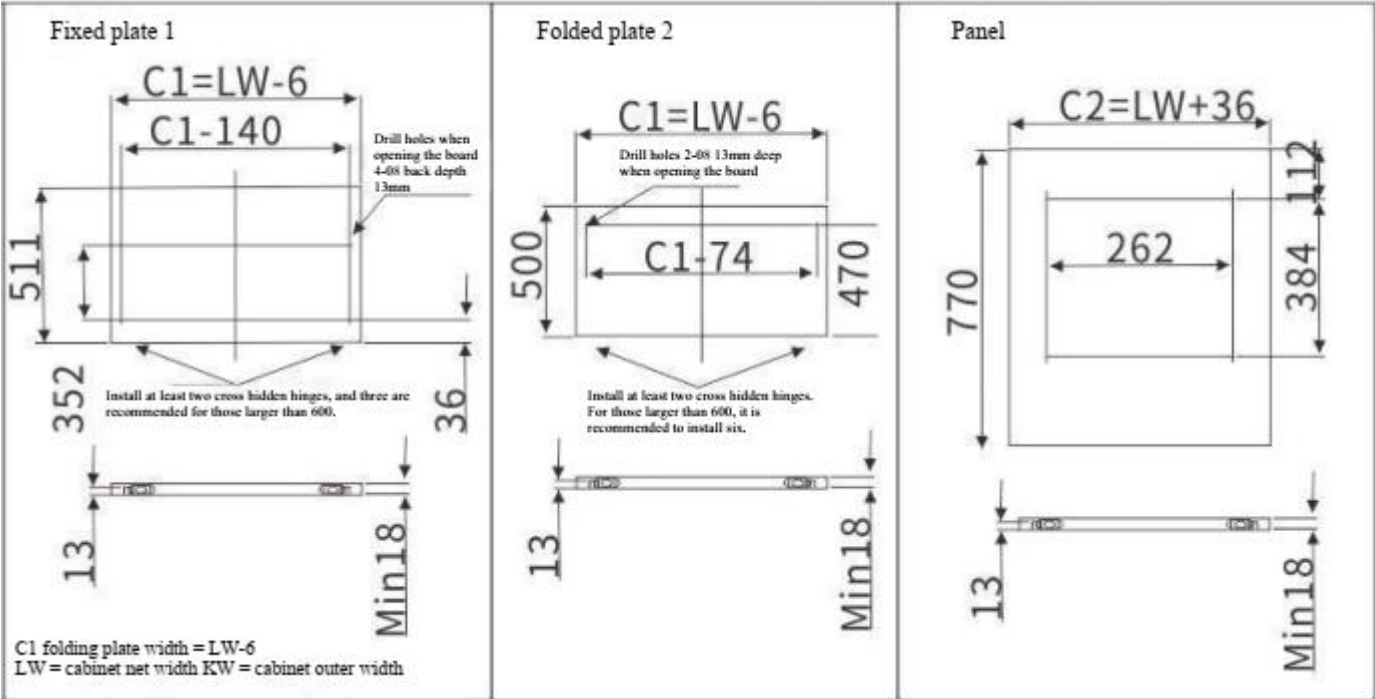

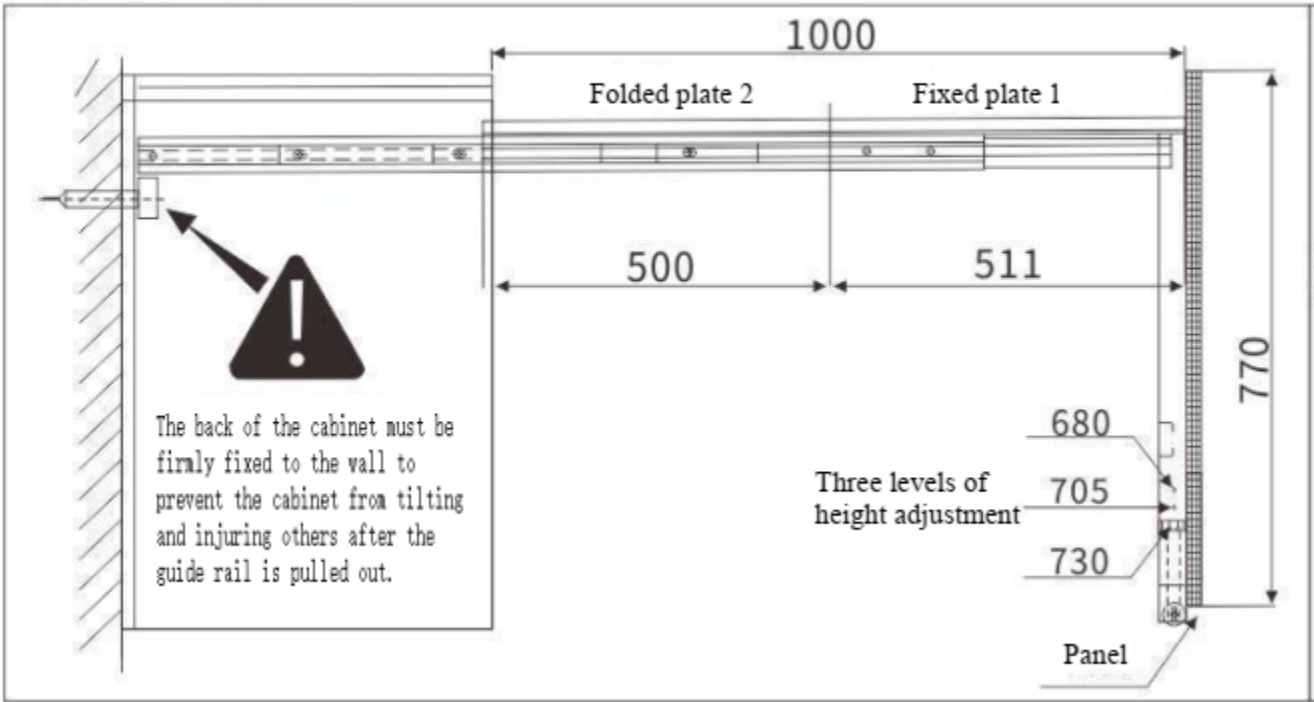

The technical drawings illustrate the dimensions and assembly details of the cabinet:

- Front View:** Shows the cabinet's width with dimensions TW (cabinet outer width), LW (cabinet net width), and LW-6 (Folding plate width). The total height is 825.
- Side View:** Shows the cabinet's depth with dimensions LT (cabinet net width) and LT-2 (Folding plate width). The total depth is 800, and the internal depth is 770.
- Detail View:** Shows the assembly of the folding plate and fixing plate. It includes dimensions for the folding plate width (LW-6), the fixing plate width (LW-6), and the distance between the plates (288). The total width of the assembly is 511, and the distance from the cabinet edge to the center of the folding plate is 500. The thickness of the plates is 18, and the distance from the cabinet edge to the center of the fixing plate is 62. The total height of the assembly is 770. The detail view also shows the installation of the cross chain, which is flush and seamless.

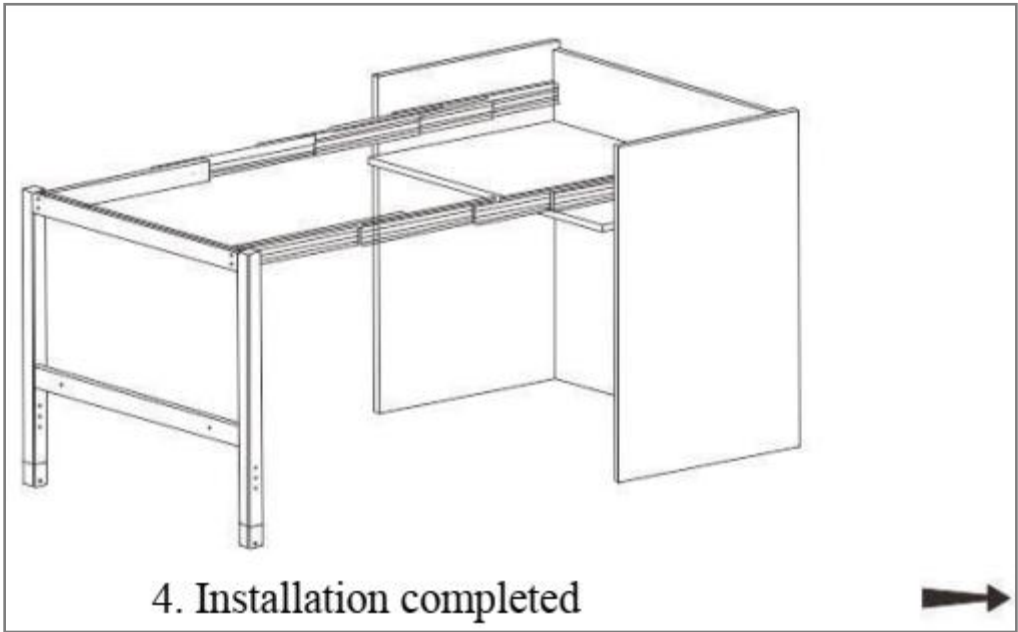

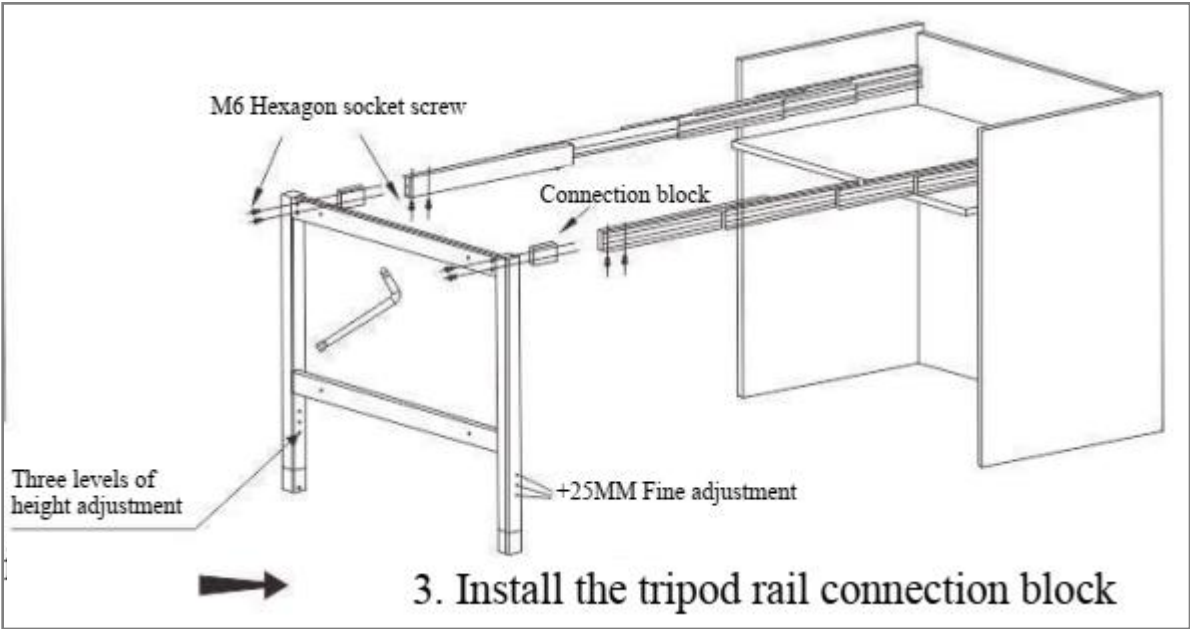

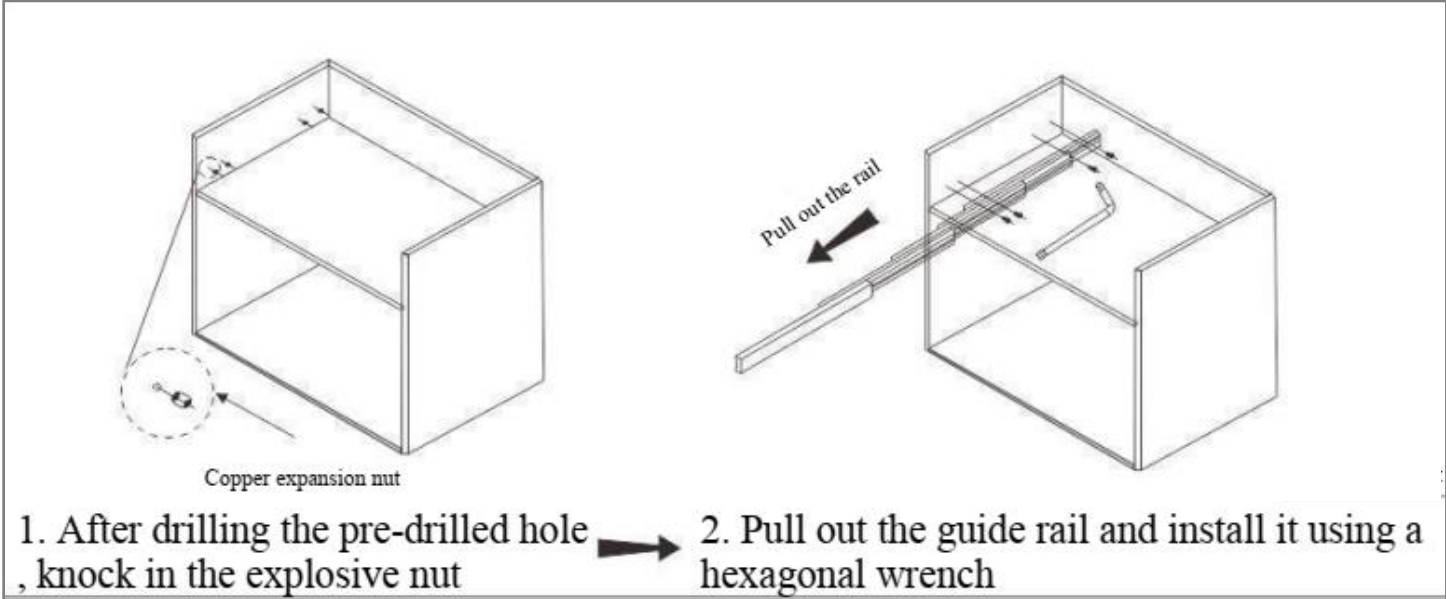

Labels and Dimensions:

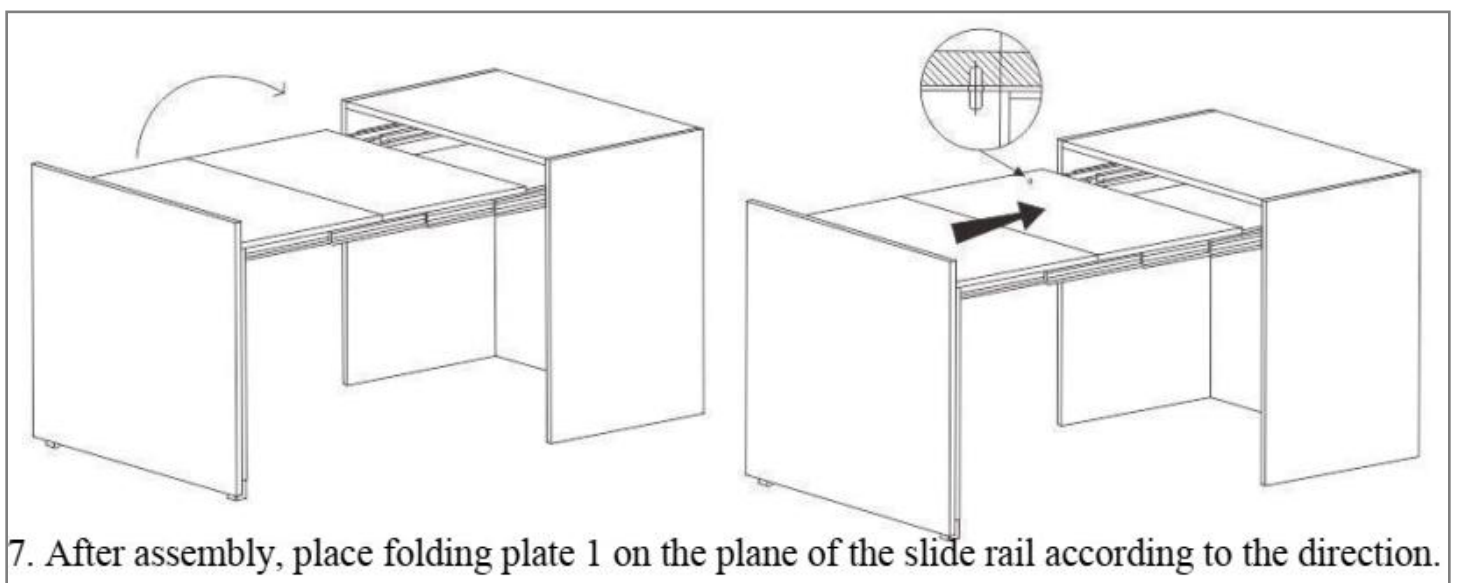

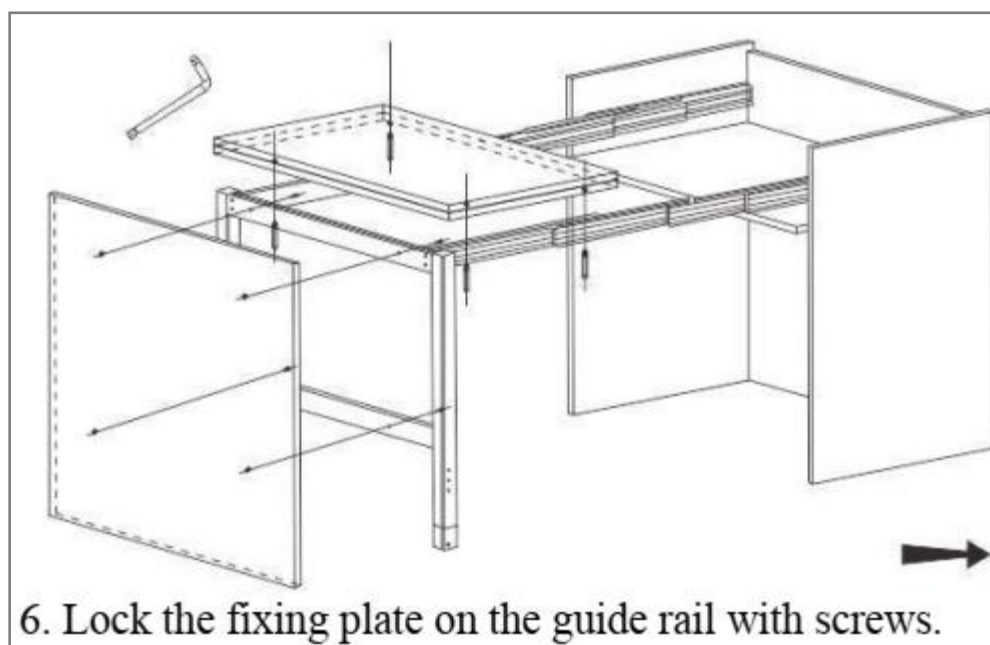

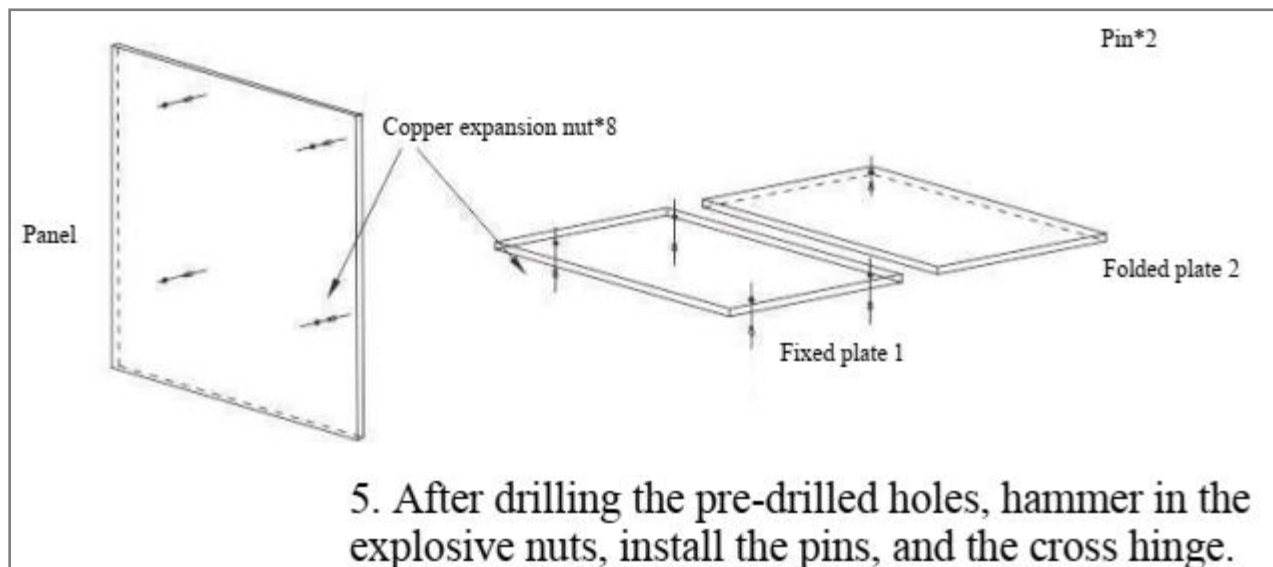

- TW = cabinet outer width
- LW = cabinet net width
- LW-6 = Folding plate width
- LT = cabinet net width
- LT-2 = Folding plate width
- 825 = Total height
- 800 = Total depth
- 770 = Internal depth
- 18 = Thickness of plates
- 288 = Distance between plates
- 511 = Total width of assembly
- 500 = Distance from cabinet edge to center of folding plate
- 62 = Distance from cabinet edge to center of fixing plate
- 770 = Total height of assembly
- K1: drill the hole when opening the board
- 4-Ø8深13mm
- Folding plate 2
- Fixing plate 1
- The installation effect of the cross chain is flush and seamless
